DFW FIBER FEST 2026

DFWFIBERFEST.ORG

Letter from the President

Wrapping up my final year as President, I'm so thankful to be part of this amazing community. Coming back after the pandemic challenged all of us, but every year we've grown into an even stronger, more vibrant DFW Fiber Fest.

This year we'll welcome nearly double the attendees we did that first year back, with more students than ever before. Our community is growing, learning, and sharing thanks to the incredible teachers who come in and offer innovative and fascinating classes, the artists who make up our market, and every student who chooses to spend a weekend with us doing what we all love.

I'm especially proud of the work we've done to make our Market more accessible. Each year we've cleared aisles, improved navigation, added seating, and worked to remove barriers so fiber artists of all ages and abilities can comfortably explore, shop, and be part of the experience. We have worked to be the most welcoming event by making sure everyone has room to belong.

DFW Fiber Fest is so amazing because we are 100% Volunteer Powered, from the dedicated Board of Directors to the Event Volunteers who come back and generously offer their time year after year. The numbers are impressive, but more than the numbers, I'm proud of the community we continue to build, because we all want to make it special for each other.

I can't wait to see where DFW Fiber Fest goes next.
See y'all in the Market!

Allison Ratliff
President, DFW Fiber Fest
